

Hi Patty,

It was great meeting you today! I just wanted to take a quick minute to thank you for coming to our school today and spending your morning with our students and teachers. Your message is so important and we are very fortunate to have an organization like the Northern Illinois Diabetes Coalition and a wonderful dedicated person like you to help spread it and reach so many kids in the process. Your book is amazing and is a creative way to articulate to kids the importance of eating their best and being their best.

We are looking forward to seeing you again on Friday at our Fun Run and meeting "Peppy" too. Both of my kids came home and recited the "Peppy Up" cheer. I also heard a group of kids talking about "healthy foods" after school. They are all looking forward to bringing the handout home and picking "good", "better" and "best" foods for breakfast, lunch and dinner.

Thank you again. We are very fortunate to have you a part of our Fun Run too! Best Regards,

Michele Larson
